CallConnect

CallConnect is an on demand bus service that operates only in response to pre-booked requests (on a 'dial a bus' basis). There is no fixed timetable as the route the bus takes is defined by passenger demand and can differ each day.

Anyone can use the **CallConnect** bus service for any reason and as frequently as required. The service is operated by modern, fully accessible minibuses and operates between 7am-7pm Monday to Friday and 8am-6pm Saturday. The **CallConnect** minibus will pick up and set down at designated locations in each village or town. Home pick ups and drop offs are also available for people who are unable to use conventional bus services due to age, disability or mobility impairment.
